8. A designated children's area is provided for visitor's children. Visitors are responsible for the actions of their children while on government property. Inmates are not permitted in the children's area. **(Requirement 16 & 22)**

5. Procedures for Special Visitors: **(Requirement 8 & 18)**

A. Staff Responsible for Arranging and Supervising Special Visits:

The inmate or the individual will submit a request for a special visit to the Correctional Counselor. The staff member responsible for granting the request will depend on the status of the individual requesting to visit the inmate (i.e., an attorney request is submitted to the counselor; outside law enforcement requests are submitted to SIS; diplomat requests are submitted to the Executive Assistant; a minister's request is submitted to the

Chaplain). A National Crime Information Center (NCIC) check will be performed on all requested individuals, with the exception of attorney and diplomat visits. (For these visits, a valid bar card or consulate identification will suffice.) If the NCIC check is clear, then a memo requesting the visit with all pertinent information will be submitted to the Warden for approval. The counselor, or other individual designated by the Unit Manager, will be responsible for supervising the special visit for its entirety.

B. Attorney Visits:

1. Acceptable identification for attorneys would be a valid driver's license or a valid State Bar Card.

C. Paralegals, Clerks and Legal Assistants:

1. Acceptable identification for paralegals, clerks, and legal assistants is a Valid Driver's License, documentation reflecting that they represent an attorney of record for the inmate and an NCIC check.
2. Visiting hours for Paralegals, Clerks and Legal Assistants are as follows:
  - a. Normal Visiting Hours: as listed.
  - b. Non-visiting hours: the counselor must submit a written request, in advance, through the Unit Manager to the Warden for approval.
3. Only licensed attorneys, paralegals, clerks, or legal assistants representing licensed attorneys will be permitted to conduct legal visits with inmates. The Unit Manager will provide a questionnaire to be completed by the attorney certifying that the paralegals, clerks or legal assistants are representing the licensed attorney.
  - a. The individual in question must have an ongoing, supervisory relationship with the licensed attorney.
  - b. The individual provided a complete Application to Enter the Institution as a Representative (Attachment F to Program Statement 1315.07, Inmate Legal Activities).
  - c. The Warden must approve, in advance, special visiting for the requested individual. This approval must be in writing.
  - d. Attorneys shall be permitted to visit only those inmates with whom staff have previously arranged for them to see.

- e. Attorneys will be processed as regular visitors.
- f. Attorney visits will take place in:
  - 1. Attorney/Client Visiting Rooms
  - 2. General population visiting area
- g. Authorized Attorney Property:
  - 1. Tape recorders may enter the facility and be used by the attorney only with prior written approval from the Warden.
  - 2. Under no circumstances may an attorney or his/her approved representative bring a radio, cellular telephone, or other electronic communication device into the institution.
- h. Attorneys from countries outside the United States require approval from the Department of Justice and will be coordinated through the Executive Assistant.

D. Minister of Record: (Requirement 3)

An inmate requesting to receive visits from his minister of record must submit a written request to the Chaplain. The Chaplain will forward the request to unit staff, who will add the name and title (minister of record) to the inmate's visitor list.

An inmate may only have one (1) minister of record on his visiting list at a time. The addition of the minister of record will **not** count against the total number of authorized regular visitors an inmate is allowed to have on his visiting list and will **not** count against the total number of social visits permitted.

E. Clergy:

Visits from clergy (other than the minister of record) will be in accordance with the general visitor procedures and **will** count against the total number of regular visits allowed.

Ordinarily, clergy visits will not be accommodated unless requested by the inmate. However, the Chaplain may approve a visitation request initiated by the clergy, if the inmate wishes to visit with the clergy.

Clergy or Minister of Record visits will be accommodated in the visiting room during regularly scheduled visiting hours and, to

the extent practicable, in an area of the visiting room which provides a degree of separation from other visitors. If a private area is not available, the visit may be rescheduled via memorandum.

The Warden may establish a limit to the number of minister of record and clergy visits an inmate can receive each month, consistent with available resources. However, during times of personal or family emergencies, an inmate will be authorized a visit from his or her minister of record.

6. Local Procedures for Approval/Disapproval of Visitors:

- A. Visiting Lists: Each inmate desiring visitors must request a visiting list. This list includes immediate family members and additional proposed visitors. The list is limited to a total of twenty-five (25) visitors (16 and older). The list should be submitted to the Correctional Counselor for approval within the first two (2) weeks of the inmate's confinement at this facility. Normally, approval of visitors already on an inmate's visiting list is not required for inmates transferring from one institution to another or those inmates in hold over status. Inmates who do not have an approved visiting list will be limited to adding only their immediate family members to the list.
- (Requirement 2)** The appropriate Counselor will provide inmates, upon request, a Visitor Information Form (BP-629) and a Notice to Visitor of Visiting Regulations (Attachment D or Attachment E) for proposed visitors. The time frame for approval or denial will ordinarily be thirty days (30) from the time it was submitted. It is the inmate's responsibility to ensure each proposed visitor is issued a copy of these forms, which includes immediate family members. The forms shall be mailed back to the respective Counselors. Completed Visitor Information Forms will not be accepted directly from inmates.

Upon receipt of the returned questionnaire, the Unit Team will determine if the visitor is approved or disapproved. The inmate's assigned Correctional Counselor will then give written notification to the inmate of the visitor approval or denial. Visitor applicants with felony convictions can only be approved or disapproved by the Warden, or a designee chosen by the Warden. The inmate is responsible for notifying the visitor of approval or disapproval and is expected to provide the approved visitor with a copy of the visiting guidelines and directions for traveling to and from the institution. Changes to inmate visiting lists may occur once every ninety (90) days.

**(Requirement 4 & 26)**

- B. Procedures for Approving any Exception to a Non-Prior Relationship: **(Requirement 5)**
- 

When a prior relationship has not been determined, a Unit Team recommendation will be made to the Warden or their designee for approval.

7. Visiting Disapproval of Visit, Visiting Restrictions and Overcrowding:

A. Procedures for Disapproving Visitors: (Requirement 4 & 14)

It is a Federal crime to bring upon the institution grounds any firearm, destructive device, ammunition, other object designed to be used as a weapon, narcotic drug, controlled substance, alcoholic beverage, currency, or any other object that threatens the order, discipline, or security of a prison, or the life, health, or safety of an individual without the knowledge and consent of the Warden. 18 U.S.C. 1791 and 3571 provide a penalty of imprisonment for not more than twenty years, a fine of not more than \$250,000 or both, to a person who provides, or attempts to provide, to an inmate any prohibited object. All persons entering upon these premises are subject to routine searches of their person, property (including vehicles), and packages. The Warden, upon reasonable suspicion that a person may be introducing contraband or demonstrating actions that might otherwise endanger institution safety, security, or good order, may request the person, as a prerequisite to entry, to submit to a visual search, pat search, urine surveillance test, Breathalyzer test, or other comparable test. A visitor has the option to refuse any of the search or test or entrance procedures, with the result that the visitor will not be permitted entry to the institution.

Note: Your refusal of these procedures mean that you will not be permitted to entry to the institution, and you will be allowed to leave the institution property, unless there is a reason to detain and/or arrest you. The use of cameras or recording equipment without permission of the Warden is strictly prohibited; violators are subject to criminal prosecution. Once a visit with an inmate begins, if a visitor leaves the visiting area, the visit will be terminated. Any exception must be approved by the visiting room officer.
